We lost our home in Waveland + only had enough flood insurance to cover the payoff loan amount with some extra but certainly not enough to rebuild. We however feel very fortunate to also have a home in New Orleans where we are residing.

Write something special that you would like Santa to bring you or your family:

I would like for our city of Waveland to begin to rebuild so that eventually my son will have the childhood I hoped he'd have by spending weekends + summers in our wonderful city. Thanks for your concern

Please use back or another sheet of paper, if you want to write more. We want to hear your story.
